

COMAN TIEBREAK INSTRUCTIONS

- **Set Tiebreak:** This is when the set score is 6-6: First to win 7 points by 2 points wins “Game “and “Set.”
- **Third-set Match Tiebreak:** This is when each team has won a set: First to win 10 points by 2 points, wins match.
- The player whose turn it is to serve shall serve the first point from the deuce court.
- After the first point, the players shall change ends and the following two points shall be served by the opponent(s) (in doubles, the player of the opposing team due to serve next) starting from the ad court.
- After this, each player/team shall serve alternately for two consecutive points (starting from the ad court); changing ends after every four points, until the end of the tiebreak game.
- Switch sides after points 1,5,9,13,17..... and at the conclusion.

PRINCIPLE ADVANTAGES

Fairness – By changing ends more frequently, the effects of the elements (sun, wind, etc.) are distributed more evenly between the two opponents as opposed to playing six consecutive points before changing ends.

In doubles, the server will always serve from the same end of the court that he/she did during the set, rather than having to serve from both ends.
