Captain's Duties

- Fill out [Captain's Agreement](#) before your first match. (It is found on the Quick Links page and [the Hub](#).)
- Pay online court fees, if applicable, per facility instructions.
- **Communicate with opposing captains at least 2 days before every match.**
- **Enter scores within 48 hrs. Either captain can enter scores.**
- Know your [Rules and Regulations](#). Bookmark this link in your phone!
- If you reschedule a match, let your facility know. **Matches should be played on the scheduled date.** Exceptions can be found in Section 4 of the Rules.
- Arrange for make-up matches and be sure to get them scheduled as soon as possible. The four weeks includes any scheduled make up rainouts.

Captain's Duties

- Make sure you have enough players to field all lines for every match. Our goal is *NO DEFAULTS!* **Ask for player availability early in the season and request availability updates throughout the season!**
- Exchange lineups on time! Start your matches on time (and that includes a 5 minute warm up to be started at the designated match time). See the Quick Links page or [the Hub](#) for how to do a **5 Minute Warm Up**.
- Players must be aware of staggered starts/times. The second stagger should arrive no later than 1 hour. If they are not there, and a court is open, it is a default.
- Score Corrections- pay attention when entering. [Score Correction Form](#) for scores entered incorrectly.
- You cannot take your assigned court until match time (unless it's open).

General Information

- Our local rule for number of players “on level” on a team is at least 4 (3 for 4.5 and 5.0 and 3 for 55+ teams).
- Leagues that count towards ratings for USTA
 - Spring, TriLevel and Mixed if player did not participate in enough Spring and TriLevel Matches
- Captains should let their opponents know at line up exchange the court surface for each match before the line up is exchanged.

Payment of Court Fees & Facility Contracts

Players should be in good standing with the facility their team is playing out of. This includes paying any fees associated with using the facility for USTA match play. Court fees need to be paid for Apex and Morrisville by the date given them by the Local League Coordinator and by the date listed on their contract for Holly Springs. All Town of Cary (TOC) court fees need to be paid by the league start date.

Players not in good standing with the facility may not be allowed to play in future USTA matches at the request of the facility, and any matches played by that player will be defaulted if not paid within 24 hours of notification of past due fees. If team court fees are not paid by contract date to facility or due date to WWTA, captain/team will be given 24 hours notice and if unpaid, the team schedule will be cancelled, no player refunds and a grievance will be filed for two team defaults since no home courts will be reserved for matches.

There will be no exceptions to these rules regarding facility payments.

Etiquette

- Read “The Code” from USTA.
- Display good sportsmanship on and off the court.
- Captains should be communicating with each other before matches and after for score entry within 48 hours.
- Spectators should **NOT** speak to players while they are on court! This could be perceived as coaching. Coaching is not allowed.
- Make sure you are watching outside of the court fencing.

HOT/COLD Rule

- Teams have the option to reschedule if the “feels like” temperature (which includes wind chill or heat index) is forecasted to be **35 degrees or less or 100 degrees or more**, at match start time or two hours past match time.
- Both captains should check the hourly forecast, using the location of your match, on [weather.com](https://www.weather.com), or you may use The Weather Channel app on your phone.
- This decision should not be made until 2 hours before the match.
- If captains agree, you can still play any or all of the courts in the cold/heat.
- Follow normal make up rules.

Scheduling

- **Spring break** (WCPSS) is April 1st - April 7th. Limited matches will try to be scheduled for this week, but be prepared to play. Easter is April 20th. We will try not to schedule matches on that day but for some flights there are matches.
- If you don't have enough players for the scheduled time, you may reschedule 2 courts for 5 court matches (One court for a 3 court match). Must give **ONE WEEK** notice to opposing captain. You can also play early, facility permitting.
- Sunday morning matches will be used as overflow for weekend teams.
- There are a few matches that may not be at your scheduled time but is on your scheduled day.
- Be sure to look over your schedules - Check dates, times and locations

Flights

Some leagues have been flighted. This means that one league has been broken into two or more groups in order to play out a round robin format.

Flights with 7 teams will play 8 matches but will not have a top two team playoff.

Flighting is random.

Matches Affected by State/Sectional/National Championships

We have a [sliding scale](#) to be used for teams in state, sectional or national championships. This can be found on the Quick Links page.

Please try to play as many lines as possible **before** or on the day/time of your scheduled match.

Town of Cary will now allow teams to reschedule their matches early due to state championships. **Must have LLC approval prior to making the request.** LLC will confirm with TOC staff.

*You must have the match made up within **two weeks** of the original match date!*

Makeup Matches

The time frame for make-up matches is **4 weeks** from the date/time of the originally scheduled match. (Make-up matches due to championships have 2 weeks per USTA-NC rule.)

Contact should be made within **2 days** of original match date. Contact me if no plan has been reached after **4 days**.

Lineups can be changed for a makeup match that hasn't already started. You may substitute a player not in the original line up to get the match played. A player from a different line that has already been exchanged, cannot be moved. Once you set a date and time for a makeup match, it cannot be changed except for weather. You will be defaulted if you cannot play the match at the scheduled date and time set. You may use the [Lineup exchange form](#) to have line ups exchanged simultaneously. This form can be found on the Quick Links Page or Hub.

Make up matches are to be played at the designated home facility.

Recording Match Scores

- Either captain can record scores. **Confirm which captain is entering match scores.**
- USTA app makes score recording on your phone easy.
- **All make up match scores should be recorded within 48 hours of the completion of the match.**
- Not recording scores creates a lot of unnecessary work for WWTA staff - please get your scores entered within 48 hours. Matches not recorded in time may become a double default.

Team Defaults

Team Default: At the end of the season, standings are evaluated, and if the team default had any affect then the affected matches will be removed (from affected round robin, not second if played). The final standings will be recalculated.

Two Team Defaults: If a team defaults two full matches, all of their matches played, or to be played, will be null and void. Matches played will count for NTRP ratings and advancement, but not to determine the final standings. **A grievance may be filed.** Teams with 2 defaults will not be eligible for advancement.

Staggered Matches (Spring Only)

Rule:

- For 18+ leagues: #1 Singles and #1 and #2 Doubles start at match time. #2 Singles and #3 Doubles will follow as soon as a court opens up. Both captains agree to start #1 & #2 Singles first with #1 Doubles, followed by #2 and #3 Doubles as courts are available
- *For 40+:* #1 Singles and #1 and #2 Doubles start at match time., followed by #3 and #4 Doubles as courts are available.

All players for the second stagger need to arrive one hour after the original match start time. A player will be defaulted if they are not there one hour after the match start time AND there is an open court.

Matches should start at match time with a **FIVE MINUTE** warm up. There are courts or other teams that will be following your match. Staggered courts should also adhere to the 5 minute warm up.

Be kind to each other. Remember to promote good sportsmanship. We are all fortunate to have the opportunity and the means to play tennis. Be respectful and kind to your teammates, partners and opponents. Show the good character that you all possess by using appropriate spoken and body language as well as following the regulations and guidelines of our sport.

Sportsmanship is the ethical and moral dimension of sports. It is demonstrated by a number of attributes and attitudes such as fair play, respect for the rules and traditions of the sport and various traits of good character including integrity (abiding by the letter and spirit of the rules and concepts of honor); demonstrated respect for others including teammates, opponents, officials and spectators; accountability, self-control, and graciousness in victory and defeat.
